## **America in Retreat: The New Isolationism and the Coming ...**

America in Retreat gives new insight as to why we as a country need to be the cop on the beat even though it seems to be easier to be isolationist. The world seems to be retreating into global disorder which no country can escape. Well though out with a doomsday scenario if America continues it's retreat.

## **America in Retreat: The New Isolationism and the Coming ...**

Similarly, it was with great anticipation that I opened the pages of Stephens' new book, America in Retreat: The New Isolationism and the Coming Global Disorder. And as I expected, he did not ...
